We hated to learn of Larry's passing and wanted you to know we are thinking of you at this time. I have known Larry ever since we were in elementary school (Central School) together. He was always such a friendly boy and treated everyone so nicely. I don't believe I ever saw him angry over anything. I will always remember and Larry Wade and him walking to and from school together as they both lived in the same apartment building. May God comfort you and see you through the months to come.
