Carl Rouse

APR 29, 1941 - MAR 16, 2015

Carl Edward Rouse, first child of Warren Albert Rouse and Ethel June Tissue Rouse, was born at the home of his maternal grandparents, Harry and Carrie Tissue, in Moravia, Iowa, on April 29, 1941. His family lived and farmed in the Hilton neighborhood of Monroe Township, Monroe County, Iowa, on land purchased in 1909 by his great grandfather, Lewis Cass Rouse. Carl attended the Fairview country school located just south of the Rouse home. As a youngster Carl enjoyed family vacations to historic sites and visits to extended family. He accompanied his grandfather and father to farm auctions, explored the neighborhood with his Hilton pals, and prepared his calves for the 4-H County Fair. Carl helped his father on the farm, mowed the nearby My. Pleasant Cemetery for spending money, and grew up in a wholesome environment of family, church, community and school activities. Carl graduated from Moravia High School in 1959 and attended Northeast Missouri State Teachers College at Kirksville, Missouri. After one year, he transferred to the College of Pharmacy at the University of Iowa. During summers, he was employed at Willier Pharmacy in Centerville. After graduating as a pharmacist in 1964, Carl enrolled in graduate school in Pharmaceutical Organic Chemistry at the University of Kansas.

While in Kansas, Carl married Linda Ward, a classmate from Moravia. They returned to Centerville where Carl was a pharmacist at Willier Pharmacy. The couple's first son, Ward (Sam) was born in Centerville. The family later moved to Leon, Iowa, Carl was employed at Young's Pharmacy, and son Jon (Matt) was born. Often family activities involved summer and weekend outings to the Ward family farm on Soap Creek in Appanoose County, or winter ski trips with friends. In 1973, Carl became a full-time student at the College of Osteopathic Medicine in Des Moines. The family moved to Saginaw, Michigan, for his internship at Saginaw Osteopathic Hospital. In 1976, Dr. Rouse joined Dr. Loren C. Hermann and began practicing medicine in

Linda. I am so sad to here of Carl's passing. My sincere sympathy to you and your family. You remember we went to SUI together and graduated and then went to KU. Carl was best man at my wedding. Maryanna and I celebrate our 50th wedding anniversary this June. I am so sad, I truly admired Carl. I was one to never have lots of friends. I looked at Carl as the best friend I ever had and that is true to this day. Maryanna and I live in Blaine Minnesota. We are soon to move to Woodbury, Mn and live with my son and his wife, three children, and dog. I am 76 and have Chron's disease but I am doing well. I taught high school chemistry for 33 years and the 3 years of community college chemistry. We have 2 children and 5 grandchildren and we are all a close family. Again my sincere condolences.
