To my extended family I was so sorry to hear of Louise's passing, especially so soon after my own mother's. I'm sure Mom was one of the first to greet her with a big hug. In fact, we showed a picture of them together at Mom's visitation. She was a wonderful friend to our mother, always checking to see how she was doing and keeping her informed on all our family events. A special big hug to Carol...wish I could be there to help you through this the way you have always been there for the Corbett family in their sad times. To my favorite little cousin Tracie...your grandmother was a very special lady and she loved you dearly. We will all miss her greatly. On behalf of my sister LaDonna and myself, please know that you are in my thoughts and prayers during this time. Lisa

My father (Dennis Ray Sr) just told me of the passing of my great aunt....all I can say is that I am sorry that I have not taken more time in my life to be closer to family that is so close, but seem so far away in what seems like a way to busy world. I just wanted to send my love and sadness for a family member lost but not forgotten.

riding with grandpa hudson to bring beans to uncle Dwain for spring planting, chasing the calves in the barn lot trying to catch them to ride, playing in aunt Louise's yard with Phillip and almost getting bit by a horse-thanks for the save Phillip-and sitting on the front yard to dine on fresh made ice-cream. These things have always given me a big smile on my face. Cousin's I regret that I'm unable to attend the funeral, our love and prayers go to you during this time of passing, I'm in Minneapolis working, where does the time go...denny
