I dearly love this photo of Avery. I'm so sorry I didn't get to meet her. She is a beautiful child. Her Great Grandpa will now look after Avery. I'm sure both are smiling together. Uncle Glenn and Aunt Justine have been very special people to me and my family. We have enjoyed them so very much and they both mean so much to us. Bud and I are so sorry for your deep loses. I tried sending the picture of Avery to my Sister, Kathy Conrow. The message showed up on this site - resolves the confusion. Bud & I live near Melrose and we have been able to visit Uncle Glenn & Aunt Justine in Corydon. They had stopped to see us at our home many times while they were able to drive. Aunt Justine and I worked together on family genealogy. She was so kind to share her information. Our thoughts have been so much with you. We were honored to attend your wedding.
