My heart has been heavy since the day I was told you were taken...you took me under your wing when I first started at Wells nearly ten years ago, we were together everyday..laughing, joking, crazy boy talks..then I moved into your house and you became even more to me..we moved into the house when I was pregnant with Preston and lived there for almost 6 years and move out just a few months ago... I will never forget our chats, you will always be my best friend and I hope you know, wherever you are I'm sorry and I love you..forever missed Posted by Danielle Jones - Centerville, IA - close friend May 20, 2015

I am so sorry to hear of Debbie's passing. She was always so cute and so bubbly. I know that she has to be in a better place but she left this world far too soon. My prayers and hugs to her kids and to Sheri, Linda, Tim and Steph and especially to Carol, one of the most devoted and caring mothers I have ever known.
