Sue and family, I just want to say that I am very sorry of your families loss. I know Norma will be missed very much. Working for Sue for a few years I got to know the family and was always treated like part of the family. I really enjoyed getting to sit and talk with Norma, she always had good advice to give to me and most of the time, she was right. My thoughts are with all of you at this time. God Bless each and every one of you. Angela Ballanger
