John, Betty and family - So very sorry for your most tragic loss of Billy. I didn't know Billy personally but my son and dl did. Billy was their next door neighbor at the State Fair. I know they share a lot of memories and will certainly miss him each and every year that they return to the fair. To you John, Betty and family. I have known you for years and I can't imagine what you are going through. We, my brother Tom and I, were in 4-H when we were kids and got to know your family and then as history has it my father and brothers hauled with Johnny through L&W. Just seems like we have always known your family and we are truly sorry for your loss. May God Bless you and keep you in his arms to comfort you and carry you through this very difficult time.
