Breaker breaker channel 8, how bout that Pee Vine, you got your ears on old buddy...the one and only Scorpio be ringing your bell....Man we spent a lot of late nights on those old radios back in the day! Old Pee Vine was what we lovingly referred to as a piss cutter he was ornery as all get out 247! He could be pulling someones leg as we called it, and they would believe him as if everything he said was the gospel. He was one of those friends that was there anytime you needed anything and ready to whip an alligator for ya if needed. He liked a cold beer, a hot cup of coffee, and to just hang out and shoot the breeze. Cowboy boots and trucker cap no matter what the occasion, that was Pee Vine for sure! Youre 10-7 here one earth old buddy, but you are 10-8 and loud clear up in Heaven. Maybe late some night when the skip is rollin on the air waves we will hook up on the radios again Until thin brother, keep the shiny side up and the greasy side down....catch ya on the flip side!
