I have just learned that my friend Louise has passed away in Aug. I had tried to call her several times and wondered why her phone was disconnected. I am Barbara, Pepper's groomer and have known Louise several years .She was such a kind, giving person and always had a smile and a sense of humor. We were the same age of 78 and my heart hurts that she's gone but I know she is with her husband Jack now. I miss you, Louise ! and I will see you some day.

i loved Louise so very much, i once had a really bad time in my life and she without question came to me and said I could come eat dinner and stay in her home. She will never know how much that made me feel better and helped with my self esteem. I believe her sister Linda was there and they were and are such diamonds. i am glad I got to see you when I did. You kissed me and told me you Loved me and I you. You made me laugh to this day when you thought I was coming out Gay and without hesitation you said well that's okay wink wink. You are the best Lady and friend a girl could have. My heart is broken.
