I never had the privileged of knowing the man but I knew his Son. Al. He told me a long time ago that this guy raised him and was his father. I lost my Daddy not long ago and hate for my friend to feel the same. Prayers and true family wishes to Mr. Brown and all his family. You are part of my family! Disconnected by time and travel but Al is my brother! God bless each of you. Mr. Brown caused a guy that touched me and my family. Love and prayers for the family!
