I just learned of Tom's passing and am so sorry. My deepest sympathies and condolences to family. Tom was a lifelong friend and one of my fondest teenage memories was a trip to the Ozarks with Tom and some other friends in his Chevelle. We had a great time with lots of laughs. May he Rest In Peace.

Tom and I have been friends since grade school. I remember the over night stays, delivering the paper around town and in latter years the car rides. To the family, I was sorry to here of his passing. You will be in my thoughts and prayers.

I have known Tom since, well for ever and ever. He and his brothers were like brothers to me. He was napping when I was home last so I missed seeing him. I am so sorry for your loss. We will all be together again one day. So many memories. Too young, gone. Love and hugs to my brothers and sisters.
