My favorite memory of Jeanine was about 30 yrs ago when Leann was a baby. Jeanine and I met up at J&K so my Jess and Leeann could spend time together. We were talking the girls were playing and I picked Leeann up and I felt something so nasty in the back of her diaper. I look at Janine and she's like what I just changed her. She pulls up Leeann's little dress and it was her pancake! They had just had breakfast and Jeanine couldn't find Leeann's pancake and she had stuck it in her diaper. We laughed so hard!🤣 Jeanine said these fucking kids drive me crazy. It was always so funny how she said that. Every time I talked to Jeanine for awhile after I would say is pancake butt ready to go . I'm so sorry for all the things your going to miss Jeanine. ❤
