I will always have my brother in my heart! The days I have shared with Jon I will never forget! He and I have done it all side by side ! I will always miss him, I am doing everything he asked me to do.... He's had many close calls and we knew the day would come, so i asked him to write down what he wanted and I will make 100% sure his last wishes would come true ! Jon was always a fighter and never gave up, He also had one of the biggest hearts and wanted everyone who loved him too know... 'He loves you all, he's better now and he will live in all are hearts now !' (Jon's words) Rip Jon Love u Brother!!!

Jon was a good friend, loyal and true to those he cared for. He made plenty of mistakes in his life, but in the few years I knew him he tried to make up for what he could. He will be missed more than he ever realized.
