I remember when Rose and the girls would come up to Eddyville to swim in our pool. We had the best time. Even our mom came a couple times. It would take a couple of us to help her into the pool, and once mom was in, we were so worried she would fall off the air mattress, and which one of us would be brave enough to try and save her. It also took a couple of us to get mom back out of the pool. I'm not sure if Rose worried more about mom in the pool or me. Mom couldn't swim an inch. Lol, those were good times...
