I am so sorry for your loss. My kids and I were remembering the wonderful times we would have at your house when we would visit. They all said the best part of visiting Centerville was staying at your house and spending time with Uncle Gene. He was a wonderful man. We will all miss him. I pray God's comfort for you all in this time. Love you all Buffy.

Gene was my scoutmaster and a wonderful role model. I went to school with Rhonda and Steve wasn't far off. Gene, you don't know the positive impact you had on me and I think of you often. I'm sure you're in a better place now because you lived your life here like we all should and I know you are being rewarded. Thank you for your guidance, and your encouragement. Although I could have lived without that winter camp out ;-). But like everything else you did, it too left a lesson that I haven't forgotten. RIP, friend. Rhonda, Connie, Steve and Brenda, please accept my condolences for your loss - Scott Smallwood

Dear Ruby Family Please accept my deepest sympathy on the loss of Eugene. I was saddened to learn of his passing. Eugene was a fixture in my youth as I grew up in the Mystic area back in the 1960's. When I was in the Boy Scouts, Eugene was my scout leader. Eugene cared about his community, and gave back to it where he could. May God comfort you now and always. Amen.

Aunt Connie, Steve, Ronda & Brenda, I am so sorry to hear of Uncle Gene's passing. I feel so sad about our loss. But, with our loss, there is a heavenly gain. I can imagine Mom seeing Uncle Gene coming through those gates and her running as fast as she can to greet and hug him, just like when they were here with us. I can hear Uncle Gene laughing and running with her as she says to him, Come and see this! Let me show you that! I'm so glad to see you! I've missed you greatly!! Here is where Grandma and Grandpa live... let's go see them!! What a wonderful time they are having!! They were always so very close to each other and cared for each other a great deal and always had each other's backs against any adversity!! What a precious sibling relationship they had!! Someday, we will join them..... and share in that Reunion that is taking place now. I look forward to that day. But for now, my heart aches for our loss. I will be praying for you now and in the weeks to come. I love you, Aunt Connie, Steve, Ronda and Brenda. Please let me know if there is anything I can do. Linda Sharlene Jones
