For all that had the privilege to have known Sherry , know she touched our lives in so many ways. Rather it be through her many acts of kindness or her ability to always take time and share with others, you knew you were in the company of a big warm-hearted person. Her strength and courage were immeasurable. She fought a good fight to the very end. Although this dreaded disease may have taken her far to soon from us, it can't take away the many precious memories of the beautiful , loving, caring person she was. Until we meet again God has you in his keeping and I have you forever in my heart. Miss and love you.

Sherry- the epitome of what a Wife, Mother, Grandma, Sister and Daughter should be. Her strength and Love for her family knew no bounds. To watch the courage of this woman as she fought for her life to remain with her family was the most profound and amazing thing one could ever see. She shined in life as a remarkable woman of God and will now shine from heaven as she watches over all of us. One can't think of Sherry without a wonderful memory and smile on their face. Her beauty inside and out was undeniable. Her determination was so strong that all one could do was sit back and admire it. Sherry was an inspiring woman in life and her soul will remain so as she waits to be reunited with her family and friends. It is never goodbye forever but simply until we meet again. You will remain in our hearts and continue in spirit until we see your beautiful smile again. What a joyous day that will be. We love you. Forever. Always.
