Blessed and Treasured Friend Marceline; I'm sitting here in my room, looking at your picture knowing God chose the time to bring you to your eternal home he had promised so many years ago. You lived your entire life of endless sacrifices for our Almighty God first, and so many others here on earth. There is no doubt he has spoke the words to you, a job well done. Your life was full of loving, caring deeds, forever thoughtful of others special needs. I could never thank you enough or express adequate enough, how much it meant when you told me that if I got water baptized at the Gospel Tabernacle in Belton, that you would come to Belton and get baptized again right along with me... Sure enough, you kept your promise... 'What a worthy and proud day that was... Thank you for all the fond memories, myself and so many others are proud to treasure, along with your many helpful words of wisdom, given at just the right time. Thank you for the fun years you went with me to decorate our loved ones graves, as your company was always so up lifting to have in my car. I could write a heart touching book on all the meaningful times you and I and Caroline and Peg spent together. Thank you Jesus, for blessing me with such precious friends... Although we are apart, your spirit will always live within me, forever in my heart you will be, until we meet again on God's time clock. Eternal love, Sister Georgia Colflesh... As to Marceline's family, know that their loss is being shared by so many of Marceline's friends who truly loved and cared for her deeply, myself included.

My Aunt Marceline Was Not Just An Aunt, She Was A Kind Loving Friend To All.. I Will Miss Her And Hold Her Close In My heart Till We All Meet Again. I Love You Auntie ... Will Think Of U Always .. You have suffered auntie long enough, You were brave strong and tough.The battle you fought was long and hard, But it's okay auntie let go and let God.It has hurt all of us when you left that day, It left me broken hearted with nothing to say.I don't want to be selfish say please don't leave, Because I did not want to hurt or grieve.I know in my heart you are in a better place, But I swear im going to miss your beautiful face.I am going to miss the talks we would have, And the stories I would tell that would make you laugh.God just needed you to come home, Yes we know it has made your family sore.You will always be remembered every single day, From the smile on your face to the things you would say.You have taken your space in heaven right where you belong, Right up there with Oney, Grandma, Nikki , and my mom.Yes we all know that we need to be strong, But through our family your memory will live on.You don't need to fight anymore just let go and let God, While you were here on earth you did your job.You did your part to keep family together, that's why you will remain in our hearts always and forever. We Love You And Will Miss You Aunt Mart!!
