Debby, You have our sympathy in the loss of your brother. As you know, Jimmy and I were in the same graduating class from Centerville High School. I married and moved away but I saw him a few times when I returned to Centerville, had a few long conversations with him, and I liked him. He is at peace now.

Condolences to the Clark family of whom I have very fond childhood memories of. I had an opportunity to visit with Jimmy several months ago. We got to trade a few wars stories. He was very proud of his military service as he should have been.
