Lee Den Hartog

JUN 7, 1932 - FEB 8, 2020

Dr. Leland G. Den Hartog, 87 of Centerville passed away Saturday, February 8, 2020. Lee was born to John & Emma (Van Gorp) Den Hartog in Pella, Iowa, on June 7, 1932. He received his education graduating from Knoxville High School in 1950. Lee attended college at Central College in Pella, IA, and transferred after three years to Southern College of Optometry in Memphis, TN, graduating in 1956. He then enlisted in the United States Air Force and practiced optometry in Saudi Arabia until his discharge as a 2nd Lieutenant in 1958. Lee then opened his optometry practice in Centerville and served the community for 50 years. Lee's first marriage was to Becky Warren in 1966. On December 29, 1985, Lee married Mary Jo Youll in Centerville. Lee had five sons: David, John, Bob, Brandon and Tyler. Lee's interests were many. He loved to travel and especially loved India and Mexico and where he always met and interacted with wonderful people. Lee was a philanthropist giving with little fanfare and often in anonymity. Lee donated hundreds of hours working on the Lelah Bradley walking trail and taking care of the city tennis courts. Lee always challenged himself physically. In high school he became an accomplished football player. He continued his football career as a running back at Central College. He completed RAGBRAI numerous times with his family, rode his bike from the Gulf of Mexico to Alaska and also rode his bike from the southern Iowa border to the northern Iowa border in one day. He enjoyed canoe trips to Arkansas, skiing trips to Colorado, and fishing trips to Canada. He began playing tennis while stationed in Saudi Arabia and continued playing until he was 85 years-old with a men's tennis team in Oskaloosa. After hanging up the racquets, he loved to walk for exercise and also enjoyed working in his yard. He actually looked forward to raking leaves. By far, his favorite activity was watching his boys play in high school and then college sports. He continued to look forward to seeing his grandchildren participate in sports and school activities. His family was his greatest joy. He always remarked what a blessed

Lee was a regular at the Oskaloosa Tennis Club for many years. He drove many thousands of miles to do it. He played with the same men on Tuesdays and Thursdays. Everyone thought the world of him. We will surely miss him. One thing that we all remember were 'discussions' about political matters with one particular member of the group who happened to be of the opposite party.

I am so sad to hear about Lee's passing. Grandpa Lee was a pretty incredible force in everyone who knew him lives. His kindness and composure was uncommon among men. My life is better for knowing him. I think my fondest memory was my good friend, John DenHartog, telling all of us on a fishing trip that a 74 year old Lee needed to take it easy while we were portaging. When I next saw Lee, he was lumping a boat motor down the trail and we had a long discussion about what John had specifically told us about taking it easy... before Lee headed off with the heavy, awkward motor! Lee was the definition of a tough, kind, decent, patient family man. He is someone I will always look up to. John, JT, Haley, Nat, Steph, Brandon, Mary Jo, Dave (and all others who love him), I love you and hope you are able to heal from this. Rest In Peace and God bless, Lee!

I am in shock hearing this. I worked for Dr. Den Hartog for 10 years before moving away and have many, many fond memories of Lee and the boys and the whole family. Just heard from him last Christmas and caught up on the family. Nicest boss ever and enjoyed working at his office. Remember the boys, the haircuts, running errands, ballgames, etc.... Very hard to hear this, he meant a lot to our family.
