Dwight's simple kindness stood out to me. It may have only been TV service, but among the hundreds of customers I had, his kindness and even trust was unique. His name suddenly came to mind this morning (1/4/24); I'll be praying for the family today. Paul D. Katsion (Dean Satellite and Antenna)

Bev and Rhonda! Very fond memories of your family! My main memory of Dwight...I was jr highish...Tony probably got stuck watching me...ball diamond lights on...he had to take me...all the "uptown" guys were playing. Pete and Randy leffler...marty, jim huff, your brother Carly, the pitchers that night were jim daugherty and dwight...that night still stands out to me as wanting to be a ball player. Just want you two to remember the good ole days...your momma was a sweet lady...she always spoke to me and was always very nice...your pappaa...any time he drove his two tone brown chevy big truck on our southside...he would always pull over to ask the young Roberts kid what was going on...his ole curled up lip! Your family is an important, great memory for me! Thank you!
