I apologize for the condition of the photo, but it's the only photo I have of Hartley. This was taken in our Fort McCoy barracks, before we shipped off to Iraq in 2003. He was one heck of a great guy!

Jon and I worked together 15 years ago and remained friends. He was one of the nicest guys I've known and I swear he was always smiling. I saw him quite a bit at my current job the last few years and I'd get to hear updates of his family he clearly loved so much. My heart is hurting for you all. Jon will be missed.

I recall when John was younger. He played with my kids. He was always wanting to hunt or play a hero. He was a hero in my eyes. He went to war and fought for our country. He is an amazing young man.
