Mike Cooper

MAY 23, 1953 - JAN 31, 2015

Michael "Coop" Eugene Cooper, 61, of Centerville died Saturday, January 31, 2015. Coop was born May 23, 1953 in Webster City, Iowa to Paul & Janet (Nichols) Cooper. He received his education from Centerville High School graduating in 1971. Coop later received his Bachelor of Arts degree from the University of Northern Iowa graduating in 1975. On April 24, 1993, he was united in marriage to Shelley Seeley at the First United Methodist Church. Together they have one son, Cole Cooper of Mystic. Coop was a member of the Centerville Fire Department for 37 years, he was also a loyal member and former officer of the Fraternal Order of Eagles #2675. Coop enjoyed spending time with his buddies at the Eagles, except on Sundays—he was not much for BINGO! He was a brother to many and a friend to all. Coop worked, for many years, as a truck driver for Reliable Culvert and then for MFA oil in Centerville. Coop enjoyed hunting, fishing and golfing with his son and also with his friends. Coop had his hangouts and loved to sit and B.S. with people. On occasion, he might even spend a little time antagonizing a friend just to get the reaction. For years he traveled with his group of friends to Kansas City to watch the Chiefs play football, all the while he was an Oakland Raiders Fan! Over the years Coop spent time coaching his son in wrestling and little league baseball. He was a proud papa, constantly sporting his typical smile with his son Cole tagging along. Coop always had a story that involved his son. He was never shy when it came time to boast about Cole. Coop is survived by his son Cole Cooper of Centerville, sisters, Holly (Stacey) Cooper-Simons of Tuscon, AZ, former wife Shelley Evers of Mystic and his brotherhood of friends and firemen. He was preceded in death by his parents. Funeral service will be 11:00 a.m., Saturday, February 7, 2015 at Faith United Methodist Church in Centerville with Rev. Brian Hargrave officiating. Visitation will be all day Friday, February 6, 2015 at Thomas Funeral Home in Centerville with the family present from 4-8 p.m. Memorials are designated for his

Coop was roommate of mine at UNI for his final year. It is interesting to read all the comments and the listen to the news articles. It was the same Coop that i knew back then. He had not changed. You just could not 'not like' Coop. There was also not a prouder or more loyal citizen of Centerville. He loved where he came from and the people there. The last time i saw Coop was a few years ago at an Iowa football game, i was able to introduce him to my son who was like 23 at the time. My son met the man for one day. When i told him that Coop had passed away, he responded.. 'Not Coop!' You simply did not forget the man that all knew as 'Coop', My condolences to all his family and friends. You do not get to many Mike Cooper's in your life. I am grateful to have known him. God Bless. John Marshall Topeka Kansas

Played lots of softball back in the 70's and early 80's and drank a few beers between games. Coop kept us motivated and laughing even when we were getting clobbered. Cannot think of anyone who did not like him. If you hung around Centerville much the last 40 years or so you had to run across him. He belongs in every hall of fame I can think of. Coop you brought positive into a sometimes not so positive world. God Bless you and give your family and friends comfort, you gave many of us lots of great memories.

I am very sad to hear of Mike's death. Way too young. He was a good friend of mine in Webster City. We hung out together off and on and played sports together. It grieves me greatly to see the picture of Co-Op and Cole. What a tragedy it is to lose your father at such a young age. I am sure that given time Cole will realize that he had a great ten years with his dad and that he will be able to think back on those days with comfort. The picture of the baseball team was taken in my front yard. We were the Dodgers, and I am guessing, 2nd graders. We were bad ass...after all we had Mike.)I saw him a decade ago at the class reunion, the only one that he attended. Everyone was so glad to see him. I was very happy to see him again. I regret the fact that I have not seen him since. And, yes, I called him Co-Op. No particular reason...to me he was Co-Op. Mike Ostlund (Formerly of Webster City) Iowa City, IA

Its normally a struggle to find the right words to say in the face of such a loss. With Coop though there is no lack of words. There are so many stories that could be shared. I think of all the jabs and laughs we shared. My all time Coop moment was when my truck was fully engulfed in flames in the middle of Appanoose Country Club, it was Coop on his golf cart riding through the smoke and flames grabbing the hose off the first fire truck to arrive on the scene and personally battling the fire in a polo shirt, and kaki shorts. I know he's still bragging about how in 10 minutes he finished a round of golf, made a fire call, and bartered for the only two good tires left on my truck. Coop thank you for the memories, your service, and most of all rest in peace friend. Patrick Rinkleff

You are in Heaven, that's were all firefighters go my friend. I hope knowing that, will bring some peace to Cole, while he waits for his broken heart to mend. We want to thank you for taking such good care of Angel and Princess for us, when we went on our vacations.
