Rob, I have loved you since I became part of the family! I met your brother Ronnie first and then when I met you, I could see him in you!! Things haven't always been easy for you, and then you didn't always make things easy lol and you know that's the truth! I have told all of you kids that I would love you and be there for you no matter what! And you truly put me through the test lol! After seeing more pictures I truly feel bad that you didn't show me those!!!! Cause no matter what I love you!! And I would never ever want you to be in pain!!! You have always been tough like your grandma! And I know that you aren't suffering anymore! You are with God along with your mom, brother, sister, grandparents Your uncle Larry, and Larry Jr along with Britney! I hope you remembered to tell them all hello for me and that I love them! It won't be long before I'm there with all of you!!
