Marge, Michelle, and Marlene, We were saddened to hear of Rollie's passing. He was always so pleasant to visit with. He never did seem to be rushed or in a hurry, just so laid back. Numa has lost yet another good man and his absence will be noticed. Our thoughts and prayers are with all of you at this time. May all your great memories bring you comfort. Marge and Family I first met Rollie when Mystic closed their school and the kids came to Centerville. I'm 3 years younger than Rollie, and I can remember riding around with him in the 1950 green chevrolet with the split manifold. Rollie always had nice cars.(442's!!)Rollie and I played on the Centerville Locals fast pitch team and played against Rollie on the infamous Numa Rats team! The Locals were founded by Billy Thomas's Uncle Gerald and Dad Ronnie. Those were great times. I'm really glad I ran into you guys a while back. I hadn't seen either of you for a while. Rollie made me feel like a long lost friend when we shook hands. Rollie has always been a friend. He had one the the greatest personalities a human being could have been blessed with. I'm truly sorry about his passing. Our area lost a truly great individual. Jerry and Judy Power and family May God be with you and your family!
