My condolences to Twyla and family. I first knew Harry when we were in high school. He in Dinsdale and me in Traer. We competed in basketball and baseball for four years and had great times doing so. Along with many others in Dinsdale, Harry and I were friends. After high school, we went our separate ways, but several years later we ran into each other at the tavern under the winding stairs in Traer during a homecoming class reunion weekend and shared old times over a couple of bottles of beer. We kept in touch after that via text and email. I'm glad to have had such a good friend for so many years. I will miss him.

I've known Harold since we started kindergarten when we were 5. We were classmates, cousins, and friends. He was ambitious, intelligent, and most of all kind. We all grow up and go our own ways, and if we are lucky, meet up again. Life seemed very good for Harold when he met his beautiful Twyla. You could see their love for each other. These last few years we were at that time in life where we enjoy stirring our mind for memories. It was fun sharing information about our Dinsdale family roots. We both learned things we didn't know before. The time flew by too fast as we talked and texted and laughed. He had some challenging health situations but he never complained. We both enjoyed Caitlin Clark and watched many of her games while texting back and forth. Fun! I miss that. He loved his family dearly, and was a good example for them and others. I'm glad I knew him, and I will miss him.
