Carolyn Grimes

AUG 18, 1945 - FEB 16, 2025

Carolyn Myretta (Crouse) Grimes, 79, of Unionville, Missouri passed away at the Putnam County Memorial Hospital on Sunday, February 16, 2025, surrounded by family. Carolyn was born in rural Putnam County on August 18, 1945, the daughter of Milford and Bernadine Crouse. She attended Hill, Jones and Lucerne Elementary Schools, as well as Putnam County High School where she graduated as Salutatorian in 1963.

Carolyn married her soul mate and the love of her life, James "Jim" A. Grimes on September 1st, 1963, in Pollock, Missouri. She moved to Des Moines, Iowa, and worked at Look Magazine while Jim was serving in the US Army and stationed overseas in Korea. Upon his return from Korea, they lived a short time in Kentucky while Jim was stationed at Fort Knox. After Jim's service in the US Army, they moved to Kirksville, Missouri, where Carolyn worked at the Northeast Missouri State College (now Truman State University) in the business office while Jim attended college. They returned to Unionville in 1970 for a few years, and she worked for Dr. Dale for a short time and started a family. They then moved to Osceola, Missouri, for a couple of years, returning to Unionville in 1973. Carolyn then worked at Putnam County Health Department as the office manager for 32 years, retiring in 2007. She enjoyed working with the public and community and made many lifelong friends during her time at the Health Department.

Carolyn and Jim had 3 children, Todd, Tonya and Troy. Her passion was her family. She was genuinely kind to all who knew her. She enjoyed attending and following all her children's and grandchildren's activities and celebrating all their milestones. Her favorite thing to do was spend time with family no matter the activity, whether it be with her husband, children, grandchildren, parents, siblings, nieces/nephews and cousins. She loved cooking for, caring for, and supporting her immediate family, extended family and friends. She was a member of the Busy Homemaker (Extension)
