Gaylon Lee Warnick

JUL 29, 1971 - SEP 21, 2021

Gaylon Warnick, age 50 of Allerton passed away unexpectedly on Tuesday, September 21, 2021.

Gaylon Lee Warnick was born to Edwin and Mary (Wilmont) Warnick on July 29, 1971 in Iowa City, Iowa. He attended schools in Allerton and Corydon and graduated from Wayne Community High School in 1990. He was united in marriage to Tammy Rene Selby on July 25, 2009. They had five children: Rick, Stephanie, John, Larry, and CJ. Gaylon was a jack of all trades; he was always busy doing something. He loved going fishing and hunting, mowing yards, caring for his rabbits, and doing woodworking projects. Most of all Gaylon enjoyed spending time with his family and friends and especially loved the time he got to spend with his grandchildren. Most recently Gaylon worked at East Penn Manufacturing.

He was preceded in death by his father Edwin Warnick, sister, Marguerite Henderson, and son, John Selby.

He is survived by his loving wife Tammy Warnick, mother Mary Warnick, mother-in-law Linda Blake, children: Rick, Stephanie (John), Larry (Serena), and CJ, seven grandchildren, sisters: Sandee Salsberry (Tom) and Wendy Howard, many extended family members and several friends.

Funeral service will be Tuesday, September 28, 2021 at 11:00 a.m. at Thomas Funeral Home in Corydon with Pastor Josh Appel officiating. Visitation will be one hour prior to service from 10-11 a.m. at Thomas Funeral Home in Corydon. Interment will immediately follow the service at the Allerton Cemetery.

Memorials may be given to the family and will be designated at a later date. Condolences may be shared at www.thomasfh.com and at facebook.com/thomasfuneralhome.

Sandee, I think you must be having a very hard time again and your addictions are talking. I am sorry you feel the way you do, but to speak of those who are no longer in this life with such anger and hate is unfair and totally unacceptable. You choose to be stuck in your hatred and loss, we have moved forward and will not lower ourselves to your sad level of resentment and contempt. Find yourself some help and hopefully you will heal. Sounds like you need some help, I hope you find it.

I would not A thing that Wendy said to you about anything about Gaylen, she did not know anything about you, Shelley, Wendy or Billy so whatever she's telling you is a lie and she knows it. All she knew was that dad had to pay child support and she's a liar. She doesn't follow through with anything. She may be assistant to a district attorney, but she doesn't do anything to follow up with anything with her family. She's a liar and a thief, and she never let me have any of my pictures of my dad which she said she was gonna send me so she's a liar and she has been died. She would not let me see her photo album which everybody else got to see so don't believe a word she says anything About Galen Margaree or me or my father she has no proof of anything. Her mother murdered my father and she knows it so don't believe anything she said and this is why she do not want an autopsy on my father passed away. Think about it, Tammy think about it .

Gaylon was my step-brother, his father Ed raised me and my other 2 siblings (Bill and Shelly). Although we didn't grow up together, I was always told about him and knew of him during my younger years. As an adult I had the chance to finally get to know him, meet in person and speak with him and his wife Tammy. Gaylon was a very kind, helpful and peaceful guy. After all the years when I saw him as an adult it was like looking and speaking with his dad all over again. He missed out on that growing up and I wish that was different. Gaylon told me once that you have to look forward in life, not backwards or you get stuck there. He was always understanding of situations that were out of our control. My condolences to Tammy and the rest of Gaylon's family. His passing was too soon for all of you. Rest In Peace Gaylon, thank you for the kind words and the acceptance the past few years. I am unable to attend services, but know I will be thinking of you all.
