Q: How did you meet Lois? A: I met Lois working at the care facility she was in. I'm one of the housekeepers there that takes care of the facility & the resident's rooms. I often would go and get her a sweater to wear while she was in the dining room waiting for breakfast to be served. She would always thank me so kindly for this gesture. Lois was one of the most sweetest lady's. She was so appreciative for the little things & that made her that much more special. I miss her. But I'm glad she's at peace & with those she loved so dearly.
