My deepest sympathy to Karen's Family and Friends. Karen and I never met due to me moving out of state before we met on Facebook. Karen and I were friends on Facebook for many years and I always enjoyed her food and recipe posts and the several private chats we had about the old days in the Centerville area. I was shocked to see her obituary when I checked the obits this morning as I do every Sunday morning. I did not even know she had been ill. I pray that the Lord Jesus Christ comforts those left behind, now and always. Amen.
