I am so sorry to hear Arlene has passed. When I was a little girl she used to baby sit me. When my mom had surgery I stayed with her and Jack overnight for a few days. I remember it vividly because they were so sweet and treated me so lovingly. It was near Christmas time and I remember her lovely Christmas tree and watching Christmas movies with Jack in his recliner. Also, sometimes he would let me watch Magnum PI, too. Both Arlene and Jack are forever etched into my memory and heart. I love you both! Jo Ann (Russell) Rainwater
