I met CJ 2004 when she lived in Alba. Her dog and my dog met each other first when playing in the yard. That's when our friendship began. We did so many things together, she was there for me when I had my back surgery and brain surgery. She was always there for the people in her life. I felt blessed to have her in my life. To the family, sorry for your loss. Prayers

So sorry to learn of Jeannie's passing. My deepest sympathies go out to Jeannie's family and friends. I used to spend a lot of time for awhile back in the late 60's or early 70's with Jeannie and her brothers when I was only 12-13 and Dad would take me to work with him at what is now Iowa Steel and Wire which was across the street from their childhood home. Dad and "Gov" Moore started that business. I was quite sweet on Jeannie back then but she wasn't interested in me. Her brothers and I used to go swimming in the old quarry pond which was nearby, and I don't remember for sure but maybe Jeannie went with us. I have thought of all of those kids over the last 50 years and wondered whatever became of them. We sure had some good times together.
