“ This is for John Sellers Susans husband. I want to thank You from the bottom of my heart for all the love and joy you brought to my sisters life. Even though she kept you a secret from her brothers you could tell these last few years she had found new joy. When she finally brought You down to see us I could see why. She had finally found her farmer. I feel the pain of your loss but I am buoyed up by the joy that you brought to her in these last few years. your Brother in Law John

“ Courageous, kind, too stubborn to give in, her heart made a circle behind the wheel of a red pickup truck.....a kid (maybe 13) hauling dad & younger brothers home from a rough fishing trip to a pond around Arlington Ks. to a dream come true spot near Corydon Iowa. Thanks John.

“ I still have memories of Susan and my brother David playing cowboys and Indians. I had to be the captured cowboy so they tied me the clothesline pole and piled branches and dry grass around my feet. Thankfully our mother wouldn't let them have any matches. Love you Sis Rest in Peace. Brother John
